

RESOLUTION NO. 2011-65

A RESOLUTION OF THE CITY OF LODI ESTABLISHING
A FEE SCHEDULE FOR ANNUAL FIREWORKS SALES
PERMITS TO OPERATE WITH REGARD TO FIRE AND
LIFE SAFETY INSPECTIONS SERVICES PROVIDED BY
THE CITY OF LODI FIRE DEPARTMENT

=====

WHEREAS, the City of Lodi Fire Department is charged with the responsibility of enforcing applicable codes pertaining to fire and life safety and other regulations promulgated by the State Fire Marshal pursuant to California Health and Safety Code Section 13146 and California Fire Code Section 104; and

WHEREAS, the City of Lodi incurs costs and expends resources when fire prevention services are of a recurrent nature and the result of discretionary development; and

WHEREAS, the City desires to establish a policy to recover the cost of providing special services of a voluntary or limited nature, such that general fund monies are not diverted from general services of a broad nature, and thereby utilized to subsidize unfairly and inequitably such special services; and

WHEREAS, the City, pursuant to California Health and Safety Code Sections 13146.2(b), 13217(b), and 17951, and California Government Code Sections 6062(a), 6103.7, 66016, 66017, and California Fire Code Section 105 is authorized to adopt fees sufficient to pay the cost of providing these services to the general public following proper notice and a public meeting; and

WHEREAS, the City Council of the City of Lodi has adopted Ordinance No. 1844 repealing and re-enacting Chapter 9.12 and enacting Chapter 9.13 of the Lodi Municipal Code, which authorizes the City to establish fees sufficient to recover its costs in administering the Fire Code, subject to adoption of an implementing resolution of the City Council; and

WHEREAS, the analysis of fees and service charges set forth in the City of Lodi Fee Study and Master Fee Schedule provide a mechanism for ensuring fees adopted by the City for services rendered do not exceed the reasonable estimated cost of providing the services for which the fees are charged; and

WHEREAS, the fees and service charges set forth in the Firework Sales Permit Fee Schedule bear a fair and reasonable relationship to the City's costs in administering the Fire Code; and

WHEREAS, adoption of this Resolution is exempt from the California Environmental Quality Act (Public Resources Code Sections 21000, et seq.) because it approves and sets forth a procedure for determining fees for the purpose of meeting certain operating expenses of the City; and

WHEREAS, the public hearing required by Government Code Sections 66013-66018 to adopt new fees for fire code permits and inspections was duly noticed and held on November 3, 2010.

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Lodi does find and resolve as follows:

1. The recitals set forth above are true and correct.
2. The fees and service charges set forth in the Fireworks Sales Permit Fee Schedule (Exhibit **A**) are hereby implemented.
3. The fees and service charges set forth in the Fireworks Sales Permit Fee Schedule are to be uniformly applied and collected for services provided by the Lodi Fire Department or its designated **contractor(s)**. Fees and service charges for special services of a voluntary or limited nature shall not exceed the actual cost incurred by the City in providing the special service.
4. Fees and service charges set forth in the Fireworks Sales Permit Fee Schedule are for each identified service; additional fees and service charges shall be required for each additional service requested or required.
5. The Fire Chief of the City of Lodi **is** hereby delegated the authority to create administrative, fee-collection, and financial procedures as necessary to implement the Fireworks Sales Permit Fee Schedule consistent with the policies set forth in this Resolution.
6. The appropriate fee(s) under the Fireworks Sales Permit Fee Schedule shall be paid at the time of application submittal for: a) application review and notification, b) lottery draw processing and notification, c) safety seminar, d) fire and life safety inspections. In the event fees are not paid at the time of application submittal or upon request for additional fees, the City shall not be obligated to process, approve, or take further action on permits, fire and life safety inspections, or other services and products listed in the Fee Schedule until such time as the appropriate fees are paid to the City.
7. No permit or approval shall be issued by the City unless applicant is in compliance with applicable City and state laws and fees required are paid in full. Payment of fees by applicant shall not be construed as any waiver of the City's right to enforce compliance with fire and life safety standards, statutes, ordinances, or regulations through any means authorized by applicable law.
8. At regular intervals the Fire Chief shall review the Fireworks Sales Permit Fee Schedule to ensure that fees and service charges continue to bear a fair and reasonable relationship to the City's costs in administering the Fire Code.

9. The Fire Chief shall propose modifications to the Fireworks Sales Permit Fee Schedule to the City Council in the form of a resolution. In proposing modifications to the Fee Schedule the Fire Chief shall consider only the standards, criteria, and procedures established by this Resolution and applicable state and local law. The Fire Chief may also adjust the type of services offered if, in the judgment of the Fire Chief, equity requires such adjustment.
10. Fee adjustments to the Fireworks Sales Fee Schedule proposed by the Fire Chief may be increased by resolution of the City Council in amounts determined reasonable and necessary when budget and workload analysis supports such increases.
11. The Fireworks Sales Fee Schedule established in this Resolution shall be effective on April 20, 2011.

Dated: April 20, 2011
